PRIX EUROPA LIFETIME ACHIEVEMENT AWARD

an: PROF. REGINA ZIEGLER

Mit 29 Jahren produzierte sie ihren ersten Film auf Pump. Und gewann prompt den Bundesfilmpreis und damit auch eine Produzentenprämie. Seitdem hat Regina Ziegler nie aufgehört, den wirtschaftlichen Erfolg mit dem künstlerischen Wert zusammenzubringen. Wenn sie an einen Film glaubt, dann riskiert sie, wenn notwendig noch immer, auch ihr eigenes Vermögen. Und so ist eine Biografie der gemeisterten Widerstände entstanden, ein Lebenswerk von fast 40 Jahren, Stichwort Medienqualität.

Am 27. Oktober 2012 in der Botschaft der Russischen Föderation, Unter den Linden wird der PRIX EUROPA LIFETIME ACHIEVEMENT AWARD an Prof. Regina Ziegler vergeben. Die Preisvergabe ist die einstimmige Entscheidung des multinationalen Steering Committees des PRIX EUROPA unter Vorsitz seines Präsidenten Ruurd Bierman (NPO, Niederlande) und seiner Vize-Präsidentin Doris Pack (Europäisches Parlament). Übergeben wird der Preis vom Regierenden Bürgermeister des Landes Berlin, Klaus Wowereit.

to: PROF. REGINA ZIEGLER

At 29 she produced her first film on pomp and promptly won the German national film prize. Since then Regina Ziegler has never ceased to successfully combine artistic value and economic success. If she believes in a production, she is even willing to take risks involving her own property. A 40-year professional biography consisting of mastered challenges and overcoming hurdles - as for example European co-productions. Keywords: Media Quality.

On Saturday, 27 October, in the Embassy of the Russian Federation, the PRIX EUROPA LIFETIME ACHIEVEMENT AWARD is awarded to Prof. Regina Ziegler. The Award is the joint decision of the multi-national Steering Committee of PRIX EUROPA and its President Ruurd Bierman (NPO, The Netherlands) and its Vice President Doris Pack (European Parliament). Klaus Wowereit, Mayor of Berlin, will award the prize.
